

The Florida Orthopaedic Society Annual Scientific Meeting

Exhibitor & Sponsor Prospectus

May 20-23, 2010

Dear Prospective Exhibitor,

On behalf of the Florida Orthopaedic Society I would like to invite you to participate as an exhibitor or sponsor during our 2010 Scientific Annual Meeting taking place May 20-23. Your participation is vital for the success of our meeting and we will be available to work with you to ensure your satisfaction.

The Florida Orthopaedic Society was founded in an effort to raise the standards of orthopaedic practices by providing ongoing education, networking, recognition and certification. The FOS currently represents over 1,000 practicing orthopedists and residents in Florida. As an exhibitor, you will meet one-on-one with the decision makers for their respective practices.

There are a number of exhibiting and sponsorship opportunities available for the meeting. This prospectus details all of the opportunities and provides the necessary forms for you to secure your participation.

If you really want to **maximize your exposure** within the orthopaedic community in Florida, the FOS Leadership requests you consider becoming a **Corporate Member** of the organization. As a Corporate Member you can determine an array of opportunities available through the organization to greatly enhance your exposure to the orthopaedic community and leadership in Florida. Additional details concerning the Corporate Membership program are included in the prospectus and may also be found on our website, www.fos-society.com.

I sincerely hope that you will consider supporting the 2010 Scientific Annual Meeting of the Florida Orthopaedic Society. If you have any questions, please feel free to contact our office.

Thank you very much for your consideration.

Sincerely,
Fraser Cobbe
Executive Director
Florida Orthopaedic Society

EXHIBITING OVERVIEW

In 2010, the FOS is letting you determine the placement and value of your exhibit during the Annual Meeting. Our intent is to place you in control of your exhibit space and experience. We appreciate any feedback on this format.

The following are some simple instructions concerning the different Exhibiting Options.

- **Exhibit space is offered on a first come first serve basis.**
- **Vendors will be able to select your booth and select your exhibit fee based on location.**
- **The FOS will periodically update the available booths on the FOS website so vendors can check booth availability before submitting the form.**
- **Your booth will not be secured until the Exhibit Application has been returned to our office. Without that form on file, the exhibit booth is not secured and is available to other vendors.**
- **If your booth request is no longer available, FOS staff will attempt to assign a booth of equal value and location. We will confirm booth number and location upon receipt of your application.**

There will be two general classes of exhibits available. The cost of the two classes of exhibits fluctuates based on location. The premium location booths (Class 1) offer the premier exhibiting experience. Class 2 exhibiting will still offer great value but at a more affordable cost for the vendors.

Following this overview we have included the exhibit hall diagram to help you in your decision. Again, your exhibit booth will not be secured until the attached application form is returned to our office. The sooner you sign-up, the better chance for the great locations!

Exhibit Classification:

Class 1: Fee \$4,000

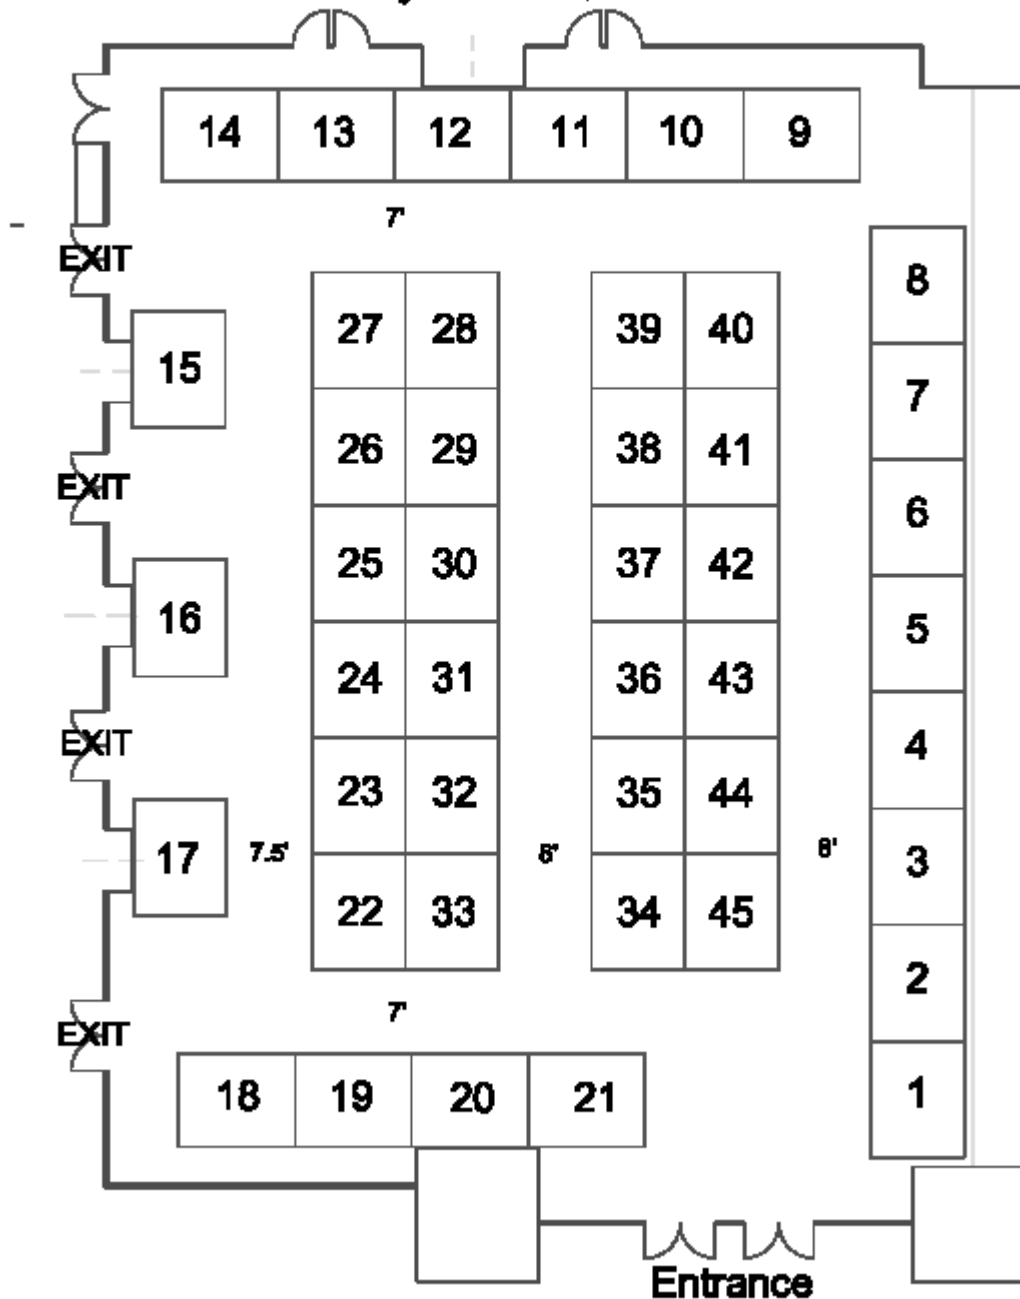

- Front of hall Booths. **Booths 1-4, 17-23, 32-35, 44, and 45.**
- Preferential exhibit booth space at the front entrance
- Availability to purchase multiple booths
- Registration of six company representatives for the meeting
- Recognition in the meeting program.

Class 2: Fee \$3,000

- Side and back of hall Booths. **Booths: 5-16.**
- 16 "Center Placement" Booths in Center of Hall. **Booths: 24-31 and 36 to 43.**
- Availability to purchase multiple booths.
- Exhibit Space and registration of four company representatives for the meeting.
- Recognition in the meeting program

PLEASE NOTE....companies are more than welcome to purchase multiple joined exhibit spaces if you would like a larger display. Please just note how many exhibits spaces you would like to purchase on the application form and we will make sure they are secured in an manner that will accommodate a larger display.
